ICP Advising Notes

For registration assistance and PatriotWeb step-by-step instructions, consult the *Schar Students Guide to PatriotWeb*: <http://schar.gmu.edu/wp-content/uploads/Students-Guide-to-PatriotWeb.pdf>

Full-time vs. Part-time:

- Full-time students must be enrolled in a minimum of 9 credits (3 courses) per semester. Full-time ICP students typically complete the program in two academic years.
- Part-time students typically enroll in two courses per semester and complete the ICP program in three academic years.

Suggested Course Sequence:

- All students should plan to take ITRN 500: Global Political Economy during their first semester.
- Elective courses (12 credits in total) should not be taken until a student has completed a minimum of 9 credits of required coursework.
- ITRN 501: Methods of Analysis for ICP should not be taken in the first semester of the program.
- ITRN 503 is a *prerequisite* for ITRN 602.
- ITRN 504 is a *prerequisite* for ITRN 603.
- ITRN 701: Special Topics is the general designator for ICP electives. PUBP 710 is the general designator for Public Policy electives. Students may take multiple special topics courses as long as the titles are different.
- *Please note:* core courses are offered only during the fall and spring semesters. Elective courses are offered all year round.

Study Abroad Opportunities:

- Any Schar School-sponsored study abroad course may count as an elective.
- Unless prior written permission is obtained, students may apply only one study abroad course (3 credits) toward graduation. For more information on study abroad opportunities, please visit: http://policy.gmu.edu/programs/programs_abroad.html

Professional Internship:

- ICP students may choose to complete an internship for 3 elective credits. For more information on internships, please visit: http://policy.gmu.edu/career/cjobs_pdfs/Internship_Program_Form.pdf

Academic Requirements:

- Students must maintain a minimum 3.0 cumulative grade point average to graduate.
- Students may apply up to six credits of "C" toward graduation.
- A student is automatically terminated if he receives a grade of "F" in a single course and/or a grade of "C" in nine or more credits.
- Students must complete all ICP requirements within *six years* of the date of initial enrollment as a degree-seeking student.
- The Schar School allows students to transfer up to four courses (where a grade of B or better has been earned) from non-degree to degree seeking status.
- No more than six graduate credit hours of work performed at another university prior to admission into the ICP program may be transferred.
- All *non-Schar School* courses have to be pre-approved by your academic advisor before registering.
- PhD level courses and/or foreign language courses are *not* permissible elective options.

Concentrations

- Students may, but are not required, to choose a concentration within the ICP program. The choices are:
 - o Global Development and Governance
 - o Global Finance, Investment, and Trade
 - o Global Risk and Strategy
- Elective/concentration courses should not be taken until a student has completed a minimum of 9 credits of required coursework.
- If a student is not sure if a specific elective course fits appropriately in a concentration, the student should consult with his/her advisor.
- Schar School "special topics" courses are noted as PUBP 710 or ITRN 701. Students may take multiple special topics courses as long as the titles are different.

- Elective/emphasis courses are offered year round (fall, spring and summer).
- All *non-Schar School* courses have to be pre-approved by your academic advisor before registering.
- PhD level courses and/or foreign language courses are *not* permissible elective options.
- Please see the list below for Schar School elective courses that can be used to fulfill each emphasis area.
- Please note: this is NOT an all-inclusive course inventory. Rather, this list is provided to illustrate the types of electives the Schar School typically offers. Any student interested in an elective course not listed below should contact his advisor for prior approval. Approval is contingent upon the relevance of the selected course to the student's emphasis area.
