Outside of the Box Competition

Permission and Release Form for Competition Submission

We are pleased to have received your entry for the Outside of the Box Competition. We are eager to review the solution you have provided to solve a current transportation or transportation policy problem. In order to commence the review process, the following form needs to be completed and submitted via _____

WORK TITLE __________________________________________________________

AUTHOR NAME __________________________________

TEAM NAME________________________________________

I understand and agree to the following:

1. **GRANTING PERMISSION**: The Author grants to George Mason University the unqualified and irrevocable permission to use, reproduce, and distribute for any and all promotional and/or other lawful purposes, in any form or media now known or later developed, the work provided by Author as identified by the Work title listed above (the "Work"). This particularly includes print (e.g., ads, articles, bulletins), electronic media (e.g., the World Wide Web portion of the Internet), and all other media. The Author understands that this use could be worldwide and the Author waives any present or future compensation for this use.

2. **AUTHORITY AND THIRD PARTY PERMISSIONS**: The Author represent that the Work has not been previously published, is not in the public domain and is the original work of the Author. The Author represents that, except where the Work indicates otherwise, the Author is the sole owner of the copyright and has the full power and authority to grant this permission. The Author has identified and/or labeled all parts, items and materials incorporated into the Work that may be subject to a copyright or other proprietary right held by a third party. If the Work includes materials of others, the Author has obtained permission of the original copyright owner to enable the Author to grant the rights contained herein. The Author represents that the Work does not infringe the copyright or any proprietary right of any party.

3. **ACCURACY OF MATERIALS**: Author acknowledges that the Author is responsible for the accuracy of the Work.

4. **COPYRIGHT**: Ownership of the copyright remains with the Author, and George Mason University acknowledges that nothing in this Agreement will constitute a transfer or assignment of the copyright in the Work to George Mason University.

5. Author authorizes George Mason University to publicly disclose name and title or status, as an author of the Work above to third parties.

BY SIGNING THIS RELEASE, I INDEMNIFY AND HOLD HARMLESS GEORGE MASON UNIVERSITY, ITS EMPLOYEES AND AGENTS FOR ANY AND ALL CLAIMS RELATED TO MY PARTICIPATION IN THE COMPETITION OR IN CONNECTION WITH THE USE, DISTRIBUTION, AND PUBLICATION OF THE WORK.
